Volunteers Needed for Research on Sugar-sweetened drinks

**Do you regularly drink sugar-sweetened drinks, such as
Coca Cola, Sprite, Red Bull or sugar-sweetened fruit
juice?**

If the answer is 'yes', you could be eligible to take part in a study of the possible consequences of consuming such drinks.

We are looking for people in the age-range 18 to 35 years to take part for 6 months in a study that involves being tested on four occasions and keeping an occasional food diary.

You will be compensated for your time.

This study has received ethics approval from the Human Research Ethics Committee (Project No. 2015/074)

Please email psych.sugardrinks@sydney.edu.au for details.
